Dear Coach,

This past summer I've had the opportunity to coach Danielle Glaeser on the Alameda Contra Costa County track club in Junior Olympic competition. During that time, I've been impressed with her hard work and motivation during practices and her eagerness to learn from coaches to improve herself as a sprinter. I feel she has a tremendous amount of potential as a collegiate sprinter given her excellent work ethic and talent.

Not only are her individual sprint times impressive, but she was also an integral leg for our 4x400 relay team. She qualified for the national Junior Olympic championships in both events.

I definitely feel she would be an asset to your team and any help you can give her with her acceptance into your program would be appreciated. Please feel free to contact me if you need any additional information.

Sincerely,

A handwritten signature in dark ink that reads "Mark Karbo".
